O R D E R:-

The Secretary, the Narsipatnam John Bosco Society in his representation first read above, has represented that the Don Bosco is a world wide organization rendering help in the fields of education, empowerment of the youth. In Andhra Pradesh too they are rendering developmental and humanitarian services in all the sectors. Lakhs of poor and unprivileged youth are educated and empowered. In Pedaboddepalli after conducted a survey in the surrounding areas, the need of the area is higher education and therefore, took a decision to start a degree college. Due to some technical problems it was not possible. Instead they got permission to start Don Bosco Hotel Management college. There is no scope for the hotel management college due to the following reasons:-

- a) As the area is completely a rural area it is not possible.
- b) The target group is poor and marginalized, they are not interested to join the Hotel Management course.
- c) The Don Bosco Society have a big building for the college with 33,000 SFT., areas and they have a spacious labs, all these labs equipped in view of running a degree college.
- d) Many Tribal youth would like to join Degree College in order to pursue with the higher education and empowerment.
- e) Hotel management college would be useful in the town area but not in a remote village.

Due to the above reasons he has requested the Government to grant permission to start a normal degree college.

The Secretary, APSCHE., Hyderabad vide reference 3rd read above has reported that the Narsipatnam John Bosco Society, Peddapalli, Narsipatnam, Visakhapatnam District has applied for establishment of a New Private un-aided Degree College at Narsipatnam (Rural) Mandal, Visakhapatnam District by name Don Bosco College of Hotel Management in response to the
P.T.O.

notification given and the same was rejected, as Narsipatnam (Rural) Mandal was not in the list of identified mandals mentioned in the notification dated 5-2-2010. Again the said Society represented and requested to start Hotel Management college at the same Mandals there is no restriction of Mandals for Hotel Management colleges. Considering the request of the Management, the proposal has been verified as per rules and joint inspection was conducted for physical verification of the building accommodation, permission was granted to start Hotel Management College by name Don Bosco College of Hotel Management, Peddaboddepalli, Narsipatnam (Mandal), Visakhapatnam District (Rural Co-Education) vide Council's proceedings dated 11-08-2010.

Therefore, the Secretary, APSCHE., Hyderabad has reported that considering the request of the Society for conversion of Hotel Management College in to a Regular Degree College would imply granting of permission to a New Private un-aided Degree College at a Mandal which is not notified during this academic year and to a proposal which was already rejected vide his letter dated 26-04-2010. Such an act, besides going against the fundamental spirit of the Notification identifying the un-served Mandals, would set a wrong precedent for other to follow and invite avoidable legal complications, and submitted to Government for information.

In the circumstances state above and after careful examination of the matter, the Government here by accord permission to The Narsipatnam John Bosco Society, Peddapalli, Narsipatnam, Visakhapatnam District for conversion of Don Bosco College of Hotel Management in to a regular Degree College from the academic year 2011-12 in relaxation of existing rules and keeping it outside the purview of notification as a special case, subject to fulfillment of conditions stipulated by Government from time to time for starting of new private un-aided Degree College, issued in G.O.Ms.No.29, Education, dated 05-02-1987 read with G.O.Ms.No.35, Education, dated 25-04-2007 and G.O.Ms.No.211, Education, dated 08-11-2007, G.O.Ms.No.5, Higher Education (CE-I-2) Department, dated 08-01-2008.

The Secretary, A.P. State Council of Higher Education, Hyderabad shall take necessary action accordingly.
